

# Fargo Public Schools

## Federal Credit Union

### Who We Are

We are a not-for-profit, member-owned financial cooperative providing services to the employees of Fargo Public Schools and their families. On November 10, 1934 with \$10,000 in deposits, 10 educators signed a charter to form FPSFCU. It was the first credit union in North Dakota and 47th in the nation. Over 88 years later and we're still going strong providing local personalized service with all the benefits of a large financial institution.

## The Credit Union Difference

### How are Credit Unions different from other financial institutions?

Credit Unions are not-for-profit organizations that exist to serve their members. Like banks, credit unions accept deposits, make loans and provide a wide array of other financial services. What makes them unique is that profits are returned to members in the form of reduced fees, higher savings rates and lower loan rates. Credit Unions are owned and controlled by the people, or members, who use their services. Your vote counts. A volunteer Board of Directors is elected by members to manage a credit union. Your money is secure at a credit union as each account is insured by NCUA for up to \$250,000.00.

Also, we have free pens.

We provide the local personalized service you deserve. You're a person, not an account number to us and we love getting to know our members. When you stop in the lobby, use the drive up or make a call - you'll be helped directly by one of our amazing staff. We adhere to the credit union motto of "people helping people" and are dedicated to providing our members with the best possible service and giving back to our community.

How do I  
become a  
member?

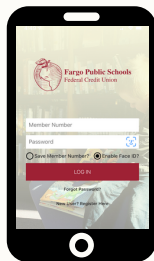

FPSFCU was formed by teachers for ALL employees of the Fargo Public Schools and their families. Do you work for the Fargo Public Schools or have an immediate family member that works for the Fargo Public Schools? You qualify! Simply stop by either of our two locations and we'll get your account set up. All you need is a valid government issued ID, your school ID (if an employee) and \$50.00 to open your Savings account - this is your "share" of the Credit Union.
