International Credit Union Day 85th Annual Meeting / Irish Auction

INSPIRING HOPE FOR
A GLOBAL COMMUNITY

“Inspiring Hope For A Global Community” was the theme of International Credit Union Day this year and the theme we decided to embrace for our Open House Annual Meeting. As a Credit Union, our goal is always people helping people. It was so great to hear stories about what credit unions from all over have done for their communities and see the difference they’ve made in people’s lives.

Our Annual Meeting was a little different this year as our members’ safety is our number one priority. To our surprise, doing a week long open house was a big success! We were thrilled by the amazing turnout. Thank you to everyone that stopped by, it was so great seeing all the familiar faces.

We also did our yearly Irish Auction to raise money for our Scholarship Fund and thanks to all the participants we were able to raise \$1044 which was matched by the Credit Union. These scholarships will be awarded to graduating credit union members in the spring. Applications will be sent out and posted online.

Due to changing circumstances the date of our 86th Annual Meeting is currently undecided.

2020 Shred Event

Our 2020 Drive Up Shred Event was a huge hit! We filled TWELVE BINS this year and gave away 2 Visa gift cards in leu of the usual morning refreshments. This is a fun event for us to see current members and meet potential new members we enjoy providing this service to you and employees of FPS!

Our next Shred Event is scheduled for June 5, 2021. See you there!

This Fall we had a Food & Funds Drive benefitting The Great Plains Food Bank. We were able to donate TEN boxes of food (400LBS) and \$400 to help struggling families and individuals in our community. We are so thankful for the generosity shown by our wonderful members and friends in the community.

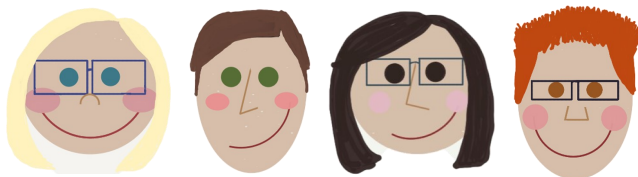

The Giving Tree

We partnered with the Fargo Public Schools Student Wellness and Family Facilitators again this holiday season to help district students and their families in need with the Giving Tree. The impact of COVID-19 increased the number of families experiencing hardship and the need in the community was felt greater than ever this holiday season. We provided gifts for 200 individuals—DOUBLE what we have done in years past. It is such a special experience for us to facilitate this holiday drive every year but of course we couldn’t do it without all of our wonderful members! So thank you to everyone who donated gifts, time or money, you’ve helped provide some Holiday Cheer to those that need it most.
