Online Banking Tips

In January the FPSFCU was thrilled to launch its new online banking app, in which we were able to debut some great new features. While a new platform can take some time to get used to and be a little confusing at times, we have compiled a short list of your most frequently asked questions. We hope this helps you better navigate your online banking experience!

“How do I pay my VISA?”

You can easily pay your VISA and all your other loans if you click on “Loan Transfers” on the left side menu. Then simply click “Transfer Funds” and what account you’d like the payment to come from and which loan you’d like it to go towards.

“What is mobile deposit?”

Do you have a check that you’d like to deposit without having to stop by the Credit Union? This is a new feature you’re going to love! To deposit a check through our app just click “Check Deposit” on the left side menu, followed by the “Deposit a Check” button. Fill out the information and take a picture of the front and back of the check. All deposits will be credited to the member’s primary checking account. Please endorse your check with “For Mobile Deposit Only”. Checks deposited Monday – Friday before 5:00 pm will be credited to your account on our next business day. All other deposits will be credited to your account in two business days. We always recommend storing the check in a safe spot to ensure it clears before disposing of it.

“How do I transfer funds?”

To transfer funds within your own accounts, click “Transfer Funds” from the left side menu. If you need to transfer funds to another member then you’ll need to select the “Pay a Member” option from the left side menu. Select which of your accounts you’d like the money to come from and then fill in the last name, account type and account number of the member your transferring it to, along with the amount and memo.

“How do I set up alerts?”

This is another great new feature we are now offering! If you’d like to get notifications, you can set up a variety of account alerts if you click the gear on the upper right hand side. Select “Alerts” and it will let you choose the accounts and specific alerts you’d like to receive.

“What is the messaging for?”

Have a quick question? Send us a message and a member service representative will get back to you as soon as possible.

If you need help setting up your online banking account or have any questions give us a call during normal business hours and we’d be happy to assist you.

Random Acts Of Kindness Week

During the week of February 15th through the 19th we held a Random Acts of Kindness Week and invited members to nominate someone in the community that could use an act of kindness to brighten their day. Out of all the nominations, we were only able to choose five individuals, highlighting one person each day. We also handed out kindness cards and chocolates during the week to our members that came in the lobby or drive up.

Spring Shred Event

Our Shred Event this year was held at the North Branch on one of the hottest days we've had thus far in 2021. Thank you to everyone that braved the heat to drop on by! We were able to fill four bins.

North Branch Update

The North Branch will remain open at its existing location as we continue our search for a new home.

Thank you to everyone that filled out our survey!

86th Annual Meeting Open House

We "Explored the Great Outdoors Indoors" at our 86th Annual Meeting Open House this year. Both locations were decorated in an outdoors theme and members were invited to stop by and sign up for door prizes, vote for the Board of Directors and grab s'mores themed treats and goodie bags with portable power chargers, coozies and some FPSFCU hats! The Grand Prize winner won a Yeti Cooler. Our Irish Auction was also a big success, raising a total of \$1010.00, for our scholarship fund! We want to give a big thanks to everyone that participated and all of our donors that make the Irish Auction possible.
